June 2018

Dear St. Anthony parents of rising first graders:

Thank you so much for all your help this year. The kindergarten students were delightful and it has been a fun and exciting year.

Since the students are out of school for over two months, it is beneficial for them to have some review work over the summer. The following are the summer assignments for the rising first graders.

Since the students are out of school for over two months, it is beneficial for them to have some review work over the summer. The following are the summer assignments for the rising first graders.

Rising 1st Grade Summer Assignments

The assignments are:

- Practice identifying, writing and reciting the numbers 1-20. A suggested math website is www.math.com.
- Practice identifying, writing and reciting the alphabet.
- Review sounds of the consonant letters and vowels.
- Students are asked to review the attached list of sight words. Sight words are the basic building blocks of reading and writing, and this list includes many words that are age appropriate for first grade readers. A helpful website for sight words is www.sightwords.com. This site provides help for parents, games and flash cards.
- Practice correctly printing first and last names.
- Read lots of books with the family. Please check the first grade suggested reading list posted on the school's website.
- Learn how to tie shoes.
- Have a fun and relaxing summer!

Thank you for cooperation with these assignments. Have a wonderful summer!

Blessings,

Ms. Walker
